

Go Everywhere Proposal

The people of Newmarket Alliance are involved with many organizations in our local and global community. We are proud to be people that think outside of our four walls and look to be the hands and feet of Jesus to the world around us.

At Newmarket Alliance, a significant portion of our yearly budget goes to compassion, justice, and evangelistic missions, both locally and globally. We are part of a movement of churches whose very DNA is about responding to the call to “Go Everywhere!”

What is the Go Everywhere Program?

The Go Everywhere budget is that portion of the NAC budget, based on a percentage of giving, which is given to “missions” type work both locally and abroad.

The Go Everywhere Program is the formal process by which proposals for these funds are submitted for review by committee. Recommendations are then submitted to the Elders Board for final review and approval. The process ensures:

1. Alignment to NAC’s vision and mission.
2. Strengthened stewardship of funds by offering greater community impact and coordinated oversight to projects with annual reviews.
3. Engagement from the congregation through both giving and the opportunity to serve.

Evaluation Criteria:

Proposals will be evaluated based upon the following criteria:

1. How closely it connects to NAC’s [Vision or Mission](#)
2. Have congregational involvement
3. Consider budget and opportunities to leverage with other partners (i.e. Christian & Missionary Alliance or a community partner/Non-Profit)
4. Community impact (local, regional, national or international)

Go Everywhere funding is limited to NAC budget constraints. As a formal part of the stewardship process, funding for approved initiatives are reviewed annually through project or organizational updates provided to the Go Everywhere committee and approved by the Elders Board.
